**HIRING MANAGER,
OLTEPESI PLANTS LIMITED,**
P.o. Box 99- 00209,
Loitokitok.

Dear Hiring Manager,

SUBJECT: APPLICATION FOR PLANNER POSITION

I am writing to express my keen interest in the PLANNER position at OLTEPESI PLANTS LIMITED. With a strong background in Business and Data Analysis, coupled with a demonstrated proficiency in various data manipulation and analysis tools, I am excited about the prospect of contributing to your team.

Throughout my academic journey, including my recent completion of an Applied Data Science program at Wordquant University, I have honed my skills in collecting, organizing, analyzing, and interpreting statistical information. My experience in evaluating client processes for automation potential, recommending tailored strategies, and optimizing workflows at Coseke Limited has further enriched my ability to drive data-driven decision-making.

My expertise encompasses business process analysis, requirements gathering, stakeholder engagement, and data analysis using Python. I am well-versed in data visualization tools like Tableau and PowerBI, and proficient in machine learning techniques using Scikit-learn, PyTorch, and TensorFlow. This holistic skill set enables me to not only interpret data trends but also to provide actionable insights and strategic recommendations for optimized planning and resource allocation.

I am excited about OLTEPESI PLANTS LIMITED's innovative approach and its focus on leveraging data to inform decision-making. I am confident that my detail-oriented approach, effective communication skills, and passion for continuous improvement align well with your team's goals.

Enclosed is my updated CV for your review. I am enthusiastic about the opportunity to contribute to OLTEPESI PLANTS LIMITED's growth and success. Thank you for considering my application.

Best Regards,

Joshua Maeba Nyamasege.
